HOW TO GET HELP

If you know someone has issues with continued substance use, seek professional help. A doctor can screen for signs of drug use and related health conditions and suggest possible next steps. Other more immediate resources include:

CORE Network

A long-term substance use disorder recovery program designed to establish a coordinated system of care for those seeking treatment for substance use disorder.

ISave Florida

Drug overdose is a nationwide epidemic and an increasing number of Floridians are losing their lives to overdose - you can help save a life with naloxone.

ISAVEFL.COM

988 Florida Lifeline

Call, text, or chat 988 to be connected to trained counselors who will listen, provide support, and connect you to additional resources if necessary.
